

MARYLAND STATE BREAKS ITS LONG LOSING STREAK

Team Down Myererville Aggregation in County High School League.

The Maryland State School nine had little trouble defeating the ball team representing Myererville high school in a game played at the Maryland School yesterday, the score being 19 to 2 with Myererville on the short end.

The contest was a postponed game, and had to be called at the end of the sixth inning. During the opening innings it looked like it was going to be a close contest, but in the fourth inning Coach Benson's charges commenced pounding the ball, and, assisted by errors, were able to score ten runs. They added six more tallies in the fifth.

The contest was featured by heavy hitting by Winebrener, Woolford, Stern and Metty, McCall held the Myererville nine to four hits.

By winning this game the Silent Cadets broke the tie for sixth place in the Frederick County High School League race and shored the Myererville high school nine down into the deep, dark cellar.

ELOPER HELD FOR FORGERY
 Lancaster Man Arrested Upon Return From Elkton With Bride.

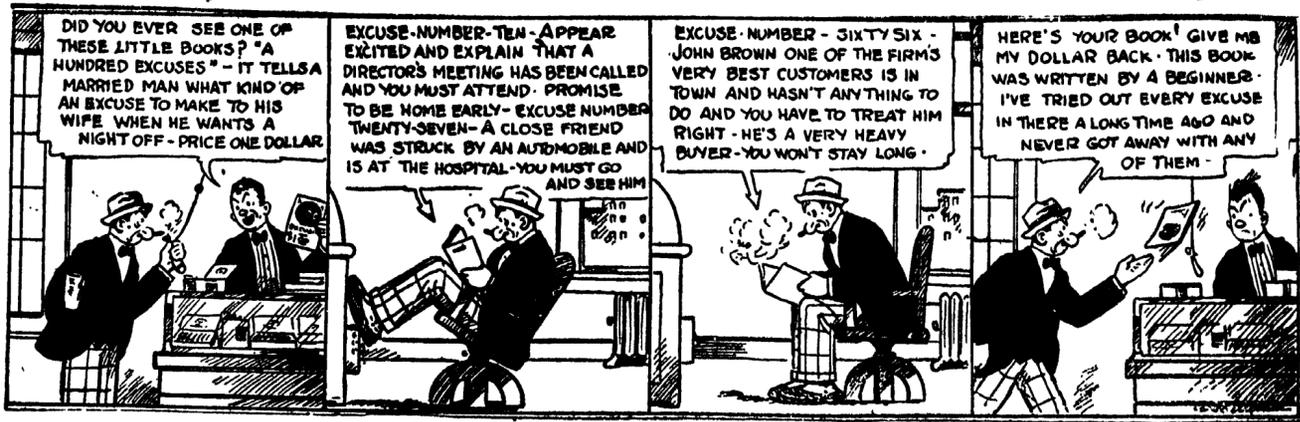

Lancaster, Pa., May 18.—Returning from an elopement in Elkton, Md., George Muckle, 27 years old, wounded war veteran, walked into the hands of local police, who charged him with having forged a check for \$452 to finance his wedding trip.

The police say he was married five years ago to a Philadelphia girl and never divorced. He has been working at the Woodside Stock Farms, where he was placed by the veterans' bureau.

On Friday, it is alleged, Muckle and Margaret Smith left for Philadelphia in a car he had bought out of the proceeds of the check. They went to Elkton Saturday. The girl's parents forgave her and were about to take Muckle into the family when the police interfered.

Blue Ridge Notes

Tommy Verecker, of Hagerstown, will be ready to pitch again within a week, that is provided the weather becomes good and warm. Tommy was sent to an osteopath for an examination. It was discovered he had a slight charley-horse, probably caused by his pitching too hard too early. He will take a treatment daily.

Strain, the Champs' clever second sacker, had a busy day Tuesday and no doubt established a new Blue Ridge League record for infielders, that is second and third basemen and shortstops, when he handled sixteen chances without a slip up. The American League record is 17, which was established by Dykes, former Blue Ridge star, in a game for the Athletics last season.

Atherton and Downes have been released to the Sand League, of the Eastern Shore. Both have signed, and will report for duty in June. They will play with Salisbury.

TOO MUCH PITCHING

And Hagerstown Drops Game to Waynesboro Outfit.

Hagerstown May 18.—The phenomenal pitching of Burke, who held Hagerstown to two hits, enabled the Waynesboro Viliagers to win the game played at Willow Lane Park yesterday, the score being 7-1, with the Blues on the short end. Sherinant, Waynesboro centerfielder, hit one which struck one of the wooden base balls on top the centerfield fence and bounced back into the grounds, the Waynesboro outfielder getting no farther than first base. Layne and Rapine played wonderful ball in the field for the Blues. The score:

R.	H.	E.	
Hagerstown	7	11	2
Waynesboro	1	2	8

Batteries: Waynesboro, Burke and Link; Hagerstown, White and Davis and Phillips.

The Hanover-Chambersburg game was called on account of rain.

DIES AFTER HIS VICTORY

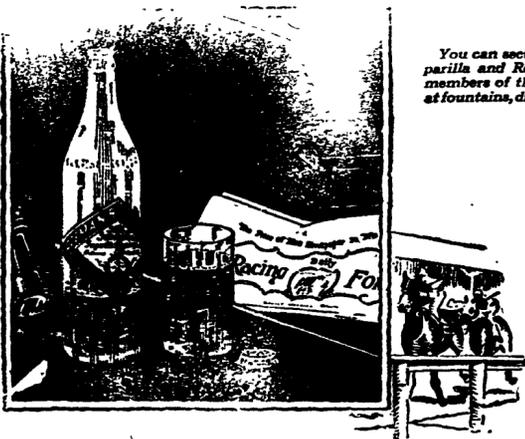

Assured He Has Been Named For Congress. Noonan Pines.

Pottsville, Pa., May 18.—Just after receiving assurances that he was nominated for congress on the Democratic ticket, Frank J. Noonan was stricken with acute indigestion and died suddenly.

He long was active in politics in this county, serving a term as county treasurer and later being appointed United States marshal for the eastern district of Pennsylvania at Philadelphia by President Wilson. In this office he served two terms.

Returning from the polls just after casting her vote, Mrs. Jane R. Gottshall, of the Third ward, gasped and in a few minutes was dead. She was an early advocate of woman suffrage and was delighted when at 72 years of age women were given the franchise.

Visited Coal Fields. H. C. Smith, manager of Markell and Ford's coal and wood yard, has returned from a visit to his daughter-operators of the mines are taking Donora, Pa. He also visited Rev. J. A. Ditzler, at Meyersdale, Pa. While on the trip he made a survey of the conditions in the non-union coal fields in Somerset county, Pa., and found that coal production has started to fall off in that region also. The operators of the mines are taking every precaution to keep representatives of the unions out of the mines for fear of disturbances.

Johnny—Say, grandpop, can I go out for a little while tonight? Bill Smith says there's come to be seen Grandfather—All right, but you be careful and don't go too near it.

Do you believe in co-education? How do you think it will work in the Frederick high school next year?

GAVE HER A NEW LEASE ON LIFE

That Is What Morrisville Woman Says After Tanlac Overcame Her Troubles.

Hundreds of people, both men and women, in Trenton and vicinity are now taking Tanlac with the most astonishing and gratifying results and numbers have come forward in the past few days to testify to the benefits they have derived from its use, among them being Mrs. Anna E. Page, of 71 Center street, Morrisville, Penna., who is now seventy-two years of age. Mrs. Page has resided in Morrisville all her life and is beloved by all who know her. In relating her remarkable experience with Tanlac, Mrs. Page said: "I feel like I have been given a new lease on life and I do believe Tanlac is the best and grandest medicine in the world. My health had not been good in several years and I had just about lost hope of ever feeling right any more. When I started taking Tanlac, scarcely a month ago now, I was so weak I could not raise my hands as high as my shoulders, but now I can lift a good weight above my head.

"My stomach was so disordered that I could eat nothing but a little bread and tea and even that distressed me. I suffered terribly with heartburn, would bloat badly, and get so dizzy I would go backwards instead of forwards. My head, just seemed to spin around like a top. I just tried everything for my stomach, but with it all I kept losing weight and strength. I got to where my limbs would hardly hold me up. I could not go up or down the stairs and never dared to go away from the house.

"When I walked I would just stumble along, dragging one foot after the other. I had such bad pains through my shoulders and chest that I thought I had rheumatism and I felt tired out all the time. One day my son brought me a bottle of Tanlac and in two days I could tell it was doing me good. I have only taken two bottles so far, and am also taking the Vegetable Pills, but I am feeling like a young person already. My stomach has improved until I can eat just anything I want without the least distress afterwards. Why, the other day I ate the first piece of pie I have eaten in over a year and it did not hurt me a particle.

"I have such an appetite that I told my son I would eat him out of house and home. I have never gotten more pleasure out of eating in my life. I am now able to walk a good distance, go up and down the stairs and do all my housework and I don't seem to get tired any more. The pains have left my chest and shoulders, the dizziness is all gone, too, and I just can't say too much in praise of Tanlac for what it has done for me."

Tanlac is sold in Frederick.—Advertisement.
